## Extraordinary 40 Awards Presentations and Panel Discussions

To mark its 40th anniversary in 2023, JGW is presenting the Extraordinary 40 (E40) Awards to honour the exceptional achievements of 40 individuals who have made a significant impact on the jewellery industry, and continue to shape its future today.

The Award Presentations will be held on 20 – 22 September at the HKCEC. The presentation ceremonies will be immediately followed by panel discussions led by the Extraordinary 40 Awardees, sharing insights on the future of diamonds, coloured gemstones, pearls, jewellery retail and the Greater China market.

## Red Radiance

JGW will also shine the spotlight on the ruby, the 40th anniversary gemstone, through the **Red Radiance** project (**Booth No. 3M260**) – an education programme featuring exhibits, live demonstrations and immersive experiences centred around the “King of Gemstones”.
