About LGDIAMOND.CN

Lab Grown Diamonds Network was founded in December 2019.

Our website adheres to the concept of "sharing information, seeking common development" and is committed to promoting the development of the lab-grown diamonds industry.

We have integrated nearly 100 upstream enterprise supporting resources, hundreds of downstream brands and channel resources, covering upstream manufacturers, midstream traders, downstream retailers and brands, as well as third-party appraisal organizations and other industry-wide information.

It has become an important platform for domestic and foreign individuals and enterprises to pay attention to the field of lab-grown diamonds, access the market and obtain industry information.
